

ACTs and SATs aren't the only things your kids should be getting prepared for.

Get them prepared for real life with Launch 3

Private Coaching Group
For 18-26 Year Olds:

Guidance & tools for life, personal brand and career growth.

This is the stage of life...

when your children need objective advice from seasoned business mentors for honing essential skills.

Everything we wish someone had taught us!

Essential skills covered:

- Sales
- Marketing
- Financial Literacy
- Conflict Resolution
- Leadership
- Emotional Intelligence (EQ)
- Meditation
- Building a life plan
- Goal Setting
- Time Management
- Decision Making
- Networking
- And much, much more

We Can Help:

- ✓ Illuminate life & career paths.
- ✓ Improve networking & relationship-building skills.
- ✓ Produce better brand & business decisions.
- ✓ Accelerate success everywhere from the classroom & beyond.

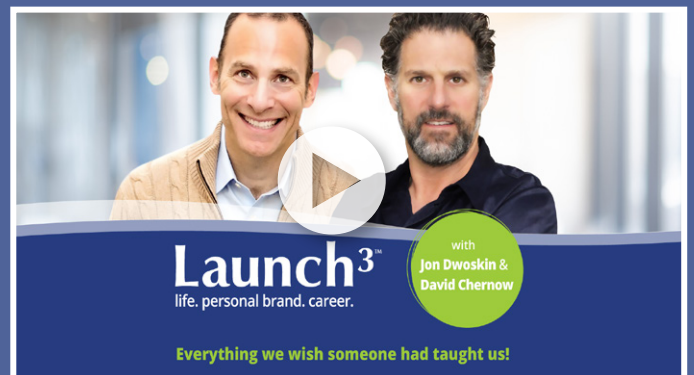

[Jon and David helped translate our vision] into key actions and even connected us to people we could talk to so we could **accelerate our customer discovery discussions.**

Noah Cox, Co-Founder and CEO of Ultimate Solutions, Senior U of M

Our curriculum...

is driven by our collective experience and successful track record in mentorship, business, & brand-building.

We are here to guide each member with a personalized, collaborative approach, nurturing growth step by step.

Launch³
life. personal brand. career.

Learning is a lifelong process.

We believe in — and will provide — constant, consistent and collaborative micro learning:

- New valuable content every Mon, Tue & Wed.
- Members participate how & when they want.
- Can take small things or big ideas each week & incorporate into the flow of life & career.
- Each new piece will raise awareness & tap into a higher version of individual.
- Jon & David guide members – along with all the guest speakers & members in LI private community.

The result: A more effective individual ready to conquer life & career.

Jon Dwoskin and David Chernow Help Members:

- ▶ **Create real-life success** with intent, clarity and in alignment with their values.
- ▶ **Hit the ground running in the business world** instead of struggling to get a foot in the door.
- ▶ Get the roadmap for navigating continuing education & career goals with courage
- ▶ Learn & apply the tools that can propel professional & personal success.
