## The WHEN:

- **Invest in your team/people today**

## The ROI:

- **25/mo = growth** to your retention and bottom line

An investment in knowledge pays the best interest.

Benjamin Franklin

The best decision I've made was signing my 24 year old son with [www.launch-3.com](http://www.launch-3.com) It is giving him direction, life skills, career guidance, brand building skills and organization skills that sometimes a dad can't give.

**I highly recommend you sign up your 18-26 year olds kids** and/or share with anyone you know this would benefit.

Rick Allen, Founder/CEO -Midwest Enviro Solutions
